Church, Simsbury* The victories of God s enemies have always been only partial, and really savored of defeat rather than victory. The cunning of Satan overcame the scruples of our first parents, and the earth, the human race and all living things were cursed; but the devastation was not as complete as he would have had it. He would have had everything useful and beautiful destroyed, for usefulness implies reformation and beauty is heavenly. But he was disappointed. The earth should bring forth briars and thorns, and thistles should spring up in the path of the laborer; (this was Satan s triumph;) but it should also be spotted with gardens of beautiful flowers, carpeted with broad acres of verdure, and with rivers like net-work winding through fruitful valleys. The grain harvest should annually cheer the exile from Eden, and beneath the ground, the myriads of crystal makers should be forming gems for future use and beauty. This was Satan s defeat. In the progress of the human family, though each unit should be born in sin, he has often been defeated. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
