Brand New Book ***** Print on Demand *****.Embalming is the art and science of preserving human remains by treating them to forestall decomposition.*Though targeted at the young people of Saint Lucia this book presents career guidance information that may be used by anyone- the young and the old (in search of that second career) as well as anyone living outside of the Caribbean Island.*Too many people do not know what career path to follow; or having decided on a career are not sure on how to achieve the goal.
