Precalculus: Real Mathematics, Real People (Alternate International ed of 6th revised ed)

By Ron Larson, Robert P. Hostetler, Bruce Edwards

Cengage Learning, Inc. Paperback. Book Condition: new. BRAND NEW, Precalculus: Real Mathematics, Real People (Alternate International ed of 6th revised ed), Ron Larson, Robert P. Hostetler, Bruce Edwards, "Algebra and Trigonometry: Real Mathematics, Real People, 6th edition, International Edition" is an ideal student and instructor resource for courses that require the use of a graphing calculator. The quality and quantity of the exercises, combined with interesting applications and innovative resources, make teaching easier and help students succeed. Retaining the series' emphasis on student support, selected examples throughout the text include notations directing students to previous sections to review concepts and skills needed to master the material at hand. This book also achieves accessibility through careful writing and design - including examples with detailed solutions that begin and end on the same page, which maximizes readability. Similarly, side-by-side solutions show algebraic, graphical, and numerical representations of the mathematics and support a variety of learning styles. Reflecting its new subtitle, this significant revision focuses more than ever on showing students the relevance of mathematics in their lives and future careers.
