B-279628 methods, deceptive sweepstakes, misleading forms, forged signatures and 8 telemarketers who do not understand the word no. Although the FCC, most states, and the telecommunications industry have What Have the FCC, some antislamming rules and practices in place, each relies on the others State Regulators, and to be the main forces in the antislamming battle. Of the antislamming efforts, those by some states are the most extensive. However, we found the Industry Done to no effective antislamming effort to keep unscrupulous individuals from Curtail Slamming becoming a long-distance provider. For example, the does not review FCC information submitted to it in tariff filings that may alert it to unethical FCC applicants. In addition, the lags far behind some individual state regulatory agencies in the amount of fines imposed on companies for slamming. Antislamming Measures 9 The first adopted antislamming measures in 1985 and has FCC The FCC subsequently promulgated regulations to improve its antislamming efforts. FCC For example, in 1992 as a result of an increase in telemarketing, the required long-distance providers to obtain one of four forms...
