Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Arthur A. Levine Books. Hardcover. Book Condition: New. Hardcover. 336 pages. Dimensions: 8.5in. x 6.0in. x 1.2in. A funny, honest novel about being out, being proud . . . and being ready for something else. Rafe is a normal teenager from Boulder, Colorado. He plays soccer. Hes won skiing prizes. He likes to write. And, oh yeah, hes gay. Hes been out since 8th grade, and he isnt teased, and he goes to other high schools and talks about tolerance and stuff. And while thats important, all Rafe really wants is to just be a regular guy. Not that GAY guy. To have it be a part of who he is, but not the headline, every single time. So when he transfers to an all-boys boarding school in New England, he decides to keep his sexuality a secret -- not so much going back in the closet as starting over with a clean slate. But then he sees a classmate breaking down. He meets a teacher who challenges him to write his story. And most of all, he falls in love with Ben . . . who doesnt even know that love is possible. This witty, smart, coming-out-again story will appeal to gay and straight kids alike as they watch Rafe navigate being different, fitting in, and what it means to be himself. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
