CINEBOOK: The 9th Art Publisher, Canterbury, 2014. Paperback. Book Condition: New. 1st English Edition. 48pp Suitable for: 15+ years. [In stock in Australia now, for immediate delivery] A young British agent is sent to Kenya to investigate strange events - UFO sightings, living dinosaurs . Kenya, 1947. A hunting expedition led by American writer John Remington makes a startling encounter, and then vanishes without a trace. Shortly afterwards, Katherine Austin, agent of the British Secret Intelligence Service, arrives in Mombasa. Her mission: investigate a series of mysterious sightings and incidents, of which the disappearance of the Remington party could be the latest. Undercover as a teacher, courted by colleagues who may be working for competing secret services, she's about to enter a whole new reality. Brazilian artist Leo is best known for his science-fiction, multi-series saga 'The Worlds of Aldebaran'. He also created Canadian Mountie Trent as well as Kenya and its second season Namibia, all three with Rodolphe - a teacher, journalist and writer who has penned over 150 graphic novels so far and worked with some of the greatest names of Bandes Dessinées. 'Kenya - Apparitions teases the reader with what could potentially be spies, flying saucers and extinct mega-fauna and, whether or not any or all of these turn out to be real, it certainly looks from this first installment that Kenya is going to be an entertaining ride for its readers' [Jeremy Briggs, Down The Tubes].
