THE MISSIONARY LIFE AND LABOURS OF FRANCIS XAVIER TAKEN FROM HIS OWN CORRESPONDENCE: WITH A SKETCH OF THE GENERAL RESULTS OF ROMAN CATHOLIC MISSIONS A

Cambridge University Press. Paperback. Book Condition: New. Paperback. 344 pages. Dimensions: 8.3in. x 5.5in. x 0.9in. A founding member of the Jesuit order, Francis Xavier (1506-1552) travelled as a missionary to India, Japan and China in the mid-sixteenth century. He is traditionally associated with legends of miraculous works and the conversion of tens of thousands of people. This controversial 1862 biography by the Anglican missionary clergyman Henry Venn (1796-1873) uses Xaviers own words to examine the future saints character and private thoughts. Xaviers correspondence reveals a sensitive, energetic and occasionally vengeful man who was not averse to employing aggressive means. Containing numerous letters printed in full, Venns chronicle provides an analysis of Xaviers mission, methods and achievements from a non-Catholic perspective. Venn also explores Xaviers close friendship with the Jesuits founder Ignatius Loyola, and probes the facts behind previous biographers tales of miracles. The book ends with a detailed and challenging appraisal of the overall success of the worldwide Roman Catholic mission since the sixteenth century. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
