Brand New Book ***** Print on Demand *****.See the world in a whole new way and discover the goodness that lies inside of you when you join in The Bedtime Adventures of Super Faun! Written by Loralee Lago with the help of her niece and nephew, April and Cory Lucas, this heartwarming collection of short tales introduces Super Faun, the family cat who just can't seem to stay out of trouble. But with each new adventure, readers will learn the power of perseverance and the idea that, even in the most difficult situations, there always remains a ray of hope. Inspired by the bedtime stories that she and her niece and nephew would share, Lago has created a delightfully inspirational feline hero who helps show her human companions the importance of living life with purpose and happiness even if that life isn't what some would call "perfect." Secret items hidden in each picture add to the thrill of Faun's wacky shenanigans as do the multiple endings that can be applied to each story. As inspirational as it is fun, The Bedtime Adventures of Super Faun! teaches children that they are special, loved, and capable of great things.
