Hay House UK Ltd. Paperback. Book Condition: new. BRAND NEW, The Brain Fog Fix: Reclaim Your Focus, Memory and Joy in Just 3 Weeks, Mike Dow, Is stress preventing you from enjoying your daily life? Do you find that you're becoming more distracted or forgetful? Are 'the blues' sapping your spirits? Or do you simply feel not quite like yourself? If you want to reclaim your focus, memory and joy, you're not alone. There are millions of people fighting against the epidemic of brain fog that's sweeping the nation. Each week of the programme focuses on a different element of your life, including improving your mood by modifying your diet and using cognitive strategies, increasing your energy by focusing on sleep, exercise and memory-boosting games, and enhancing your spirit through practices that help you connect to something larger than yourself. By the end of this simple programme, you'll be thinking...
