Holy Family Hermitage March 2007, 2007. Paper Back. Book Condition: New. Intimately connected with the life of the Church during a crucial moment in her history, these writings (bound in one volume for the first time) lie at the heart of great changes troubling the West just after AD 1000. Priestly and episcopal offices were tied to family fortunes and land holdings, and immorality among laity and monastics alike had become a scandal to faithful Christians in Europe. The final break between Latin and Greek-speaking Christian worlds came less than a century later. But as often happens in desperate times, a light, in this case the founding of the Monastery of Camaldoli, illumined and sought to restore the mission of the Church in the West. Following the tradition of their fathers (Ss. Romuald and Peter Damian among others), the Camaldolese have been quietly at the work of prayer for a millennium, encouraged by these spiritual writings. Included are St. Bruno-Boniface's Life of the Five Hermit Brothers, St. Peter Damien's Life of Blessed Romuald, Dominus Vobiscum, a theological exposition of the Church as Communion, and the Constitutions and Rule of Blessed Rudolf. 267 pp.
