Brand New Book ***** Print on Demand *****.At birth, the doctor gave Patrick two years to live; his twin brother (not identical) was healthy but died at eleven months. Today Patrick is the sole survivor of five siblings and in excellent health. Since he was baptized, near his twelfth birthday, he has had many supernatural experiences. His first of two encounters with God was near age fourteen. In a near-death experience, the Lord told him audibly, I have work for you to do! The second encounter was at age thirty-eight, after being told in two dreams that he should turn to Jesus, or Satan would kill him. With the fear of God, he made a vow to serve Him the rest of his days. Eight months later, sitting on a sand dune in Saudi Arabia, Patrick again heard the resonating voice of the Father; He said, Time to let truth go forth! Now, after thirty-four years of diligently searching and studying to know God s truth, this book is his first publication. It is a deep study that takes us beyond the cross, beyond all traditional Christian theology. It is the beginning of an awesome spiritual journey to the Kingdom of God, to have abundant access to the throne of God. So, for the good of God s house, our families, and the salvation of our country, it is hoped that you will read and study this book for your fresh spiritual enlightenment in God s Word; as Jesus says, It is written! Blessings to all.
