Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

Lion Hudson Plc, United Kingdom, 2015. Hardback. Book Condition: New. 260 x 215 mm. Language: English . Brand New Book. Toby s sister and baby brother love their schools - they smell of paint and rainbows. Toby doesn t think he likes his new school at all - it smells of ogres and he s lonely. He looks and looks for friends but he can t find any anywhere. He finds an alien, a mermaid, a dinosaur expert and a pirate, but no friends! When his mum comes to pick him up he tells her the sad news - but if he didn t make any friends then who is in the playground waving at him.? Rebecca Elliott s charming first experiences books, featuring her son Toby encountering new situations, help children deal with new and unfamiliar circumstances. In Mr Super Poopy Pants, Toby got used to the idea of having a new baby brother; in Missing Jack he had to come to terms with the death of his pet cat. Now Rebecca is showing that going to school isn t quite as scary as you might think, using her unique sense of humour and style to create a warm and comforting picture book, which is quirky and funny at the same time.
