

Regaining Bladder Control: For Incontinence on Exertion or Following Pelvic Surgery (New edition of Revised edition)

Filesize: 4.91 MB

Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

(Roosevelt Rohan)

Clinical Press Ltd. Paperback. Book Condition: new. BRAND NEW, Regaining Bladder Control: For Incontinence on Exertion or Following Pelvic Surgery (New edition of Revised edition), Eileen Montgomery, This booklet is for those suffering from exertion or 'stress' incontinence. It describes a new approach based on a planned series of exercises aimed at restoring the bladder. The anatomical causes of this type of incontinence are clearly explained and illustrated. There is no substitute for the self-discipline of exercises, but the book also deals with two other important points: correct breathing and balanced diet which will not lead to constipation or to being overweight. There is also a section on preparations for counteracting the incontinence that may result from pelvic surgery. Doctors and physiotherapists will be able to recommend this booklet to their patients.
