Proactive Legacy My Familys Battle with Cancer and Brca2

By Michelle Maxwell

Outskirts Press. Paperback. Book Condition: New. Paperback. 74 pages. Dimensions: 8.3in. x 5.3in. x 0.4in. A Journey of Courage to Save Her Own Life. . . Many people were surprised and amazed when Angelina Jolie went public with the news that she had chosen to undergo a double mastectomy because genetic testing revealed that she had the BRCA gene mutation that put her at high risk for breast cancer. Because she is a famous actress and activist, more people than ever before became aware of the dangers and consequences of the BRCA gene. But extraordinary courage can be found anywhere. . . perhaps right in your community. Proactive Legacy is the personal story of Michelle Maxwell. She isn't famous: she's a wife, mother, daughter, niece. . . and she has the BRCA gene mutation. After witnessing her mother's painful and tragic death from breast cancer, Michelle was determined to beat the odds—not only for herself, but in her mother's honor, and to set an example for her own daughters, and for other women who live with the BRCA mutation. Michelle made the extremely difficult and life-altering decision to become a previvor of breast and ovarian cancer. In this inspiring and moving...

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- Jada Franecki II

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).
