Avalon Travel Publishing. Paperback. Book Condition: new. BRAND NEW, Moon Spotlight Shasta and Lassen Camping and Hiking, Tom Stienstra, Moon Shasta and Lassen Camping and Hiking is a 235-page compact guide covering Shasta National Park and Lassen Volcanic National Park that is perfect for campers or hikers looking for a backcountry campsite or a place to pitch a tent. Each camp listing has at-a-glance icons that indicate nearby hiking or biking trails, swimming, fishing, boating, canoeing, kayaking and hot springs. You'll also learn what campsites and trails allow dogs. Hiking descriptions include distance, estimated hiking time, and a rating for difficulty. Easy-to-follow maps and clear driving directions lead campers and hikers to the best of breathtaking Shasta and Lassen. Moon Spotlight guides are affordably-priced, lightweight guides covering a smaller geographic region than Moon Handbooks or Outdoors guidebook series. The travel content in a Spotlight guide is pulled directly from individual chapters of larger Handbooks or Outdoors titles, with no introductory information (such as When to Go or Planning Your Trip), and no indexes. The result is compact guides to popular destinations that provide travelers with what they need to explore a specific locale in depth with fewer pages of very focused information.
