Awakening the Dreamer: Clinical Journeys

By Bromberg, Philip M.

Routledge, 2006. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Whether the wish is to know oneself more deeply, to understand better the psychoanalytic process, or simply to immerse oneself in seamless, elegant prose, Philip Bromberg's *Awakening the Dreamer* is enormously satisfying. Besides showing that the analyst's thoughtful self-revelation is not simply permissible, but actually necessary in the analytic process, Bromberg makes salient connections between leading-edge work in affective neuroscience and the relational psychoanalytic tradition he helped create. A nearly effortless read, *Dreamer* places the reader inside the minds both of a master clinician and of his patients. - Richard A. Chefetz, M.D., Past President, International Society for the Study of Dissociation SPhilip Bromberg's gift is to put himself right "out there" in the therapeutic encounter without the standard technical "body armor of psychoanalysis. He emphasizes instead the analyst's genuine involvement both as a source of insight and as a guiding frame for the clinical work. His core ideas relating to dissociation, self disclosure, and enactment are compatible with current research in neuroscience and in the psychology of emotion; indeed they help bridge the gap between psychoanalysis and these fields. In *Awakening the Dreamer*, Bromberg "s...
