THE STUPIDITY PARADOX

Paperback. Book Condition: New. Not Signed; Something strange is happening in our knowledge economy: organisations everywhere are encouraging smart people to do stupid things. At its extremes, this kind of systematic stupidity can be catastrophic: witness the institutional blindness in financial services that led to the crisis of 2008. But we can all relate to more everyday examples of losing touch with the need to question the dubious and criticise the absurd, from unsustainable management fads or the cult of...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
