

Epilepsy Memoir: My 40-Year Detour (Paperback)

By MR Don S Miller

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What do actor: Danny Glover, singer/composer: Neil Young, head coach of the University of Minnesota football team: Jerry Kill, and emperor: Julius Caesar have in common? The answer is the chronic seizure condition: Epilepsy. We are all cars and some of us have faulty electrical systems. Don Miller rolls over the conventional approach to Epilepsy with an automotive slant. What is the one thing most people with E (Epilepsy) want? A driver s license. In 1974, my life took a strange detour down a bumpy uneven road. When I have a seizure my spark plugs misfire and my car swerves off the road and into the ditch. Just because we have a faulty electrical system doesn t mean we should be hauled to the junkyard.
