Following the life-cycle of a tree through spring, summer, autumn and winter, children will easily learn to recognise the signs of the seasons with this simple yet striking picture book.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
